

# Brick Sale

The Great Lakes Council in an effort to make the Kamman Administration Center More Accessible to all visitors has paved a walkway from the parking lot to the building. Although the walkway has been installed funding is still needed to pay for this project.

The walkway has been installed through a loan that will be repaid through your purchase of engraved pavers that will be set into the walkway. Pavers start at the low price of \$50.00 for an engraved 4X8 paver; also available are engraved 8X8 pavers for \$135.00

Please fill out the form below and mail with a **check payable to Great Lakes Council** to:
